Focus Logistics Ltd - Jeff Worton - President

This is a note to express our sincere appreciation for the free use of your floor model photocopier, free pick-up of shoeboxes from the Miramichi & delivery to the Moncton Processing Centre during the 2005 Operation Christmas Child program.

Your patience, understanding & support in allowing us to infringe on your area during the project was much appreciated. Also, please convey our appreciation to your staff & especially your wife for the delicious stew & biscuits.

For your information, the Moncton Processing Centre, with over 1,300 volunteers, processed 105,287 gift-filled shoeboxes for distribution to Guinea, Ivory Coast & Senegal.

We thank you for your kindness & generosity.
