Dear management and staff at Focus,

On behalf of Food DEPOT Alimentaire, I would like to express our deepest gratitude for your recent food donation.

Food DEPOT Alimentaire Inc. supplies all the food products to the 20 Food Banks, 2 Kitchen and 1 mobile in the southeastern New Brunswick area. Our operations depend largely on private donations, both from businesses and the public, without which we would indeed be in dire straights. It is great people like you, the management and staff at Focus, that makes us proud to be a part of the local community helping these 23 agencies in and which allows us to make sure that all the people in need are fed. We also help other non-profit agencies from time to time.

Again we thank you very much for your great contribution. Rest assured that your contribution has been put to good use.
